The Ministry of Social and Community Affairs of BEM KM UNP Holds Sosmas Go Green Event

The Ministry of Social and Community Affairs of the Student Executive Board (BEM KM) at Universitas Negeri Padang (UNP) organized the Sosmas Go Green (SOSGREEN) program at Pasir Jambak Beach, Padang, featuring a beach clean-up and tree- planting activities. The initiative aimed to raise public awareness of environmental conservation, encourage community participation in protecting nature, and promote a cleaner, greener, and more sustainable environment.

UNP and UNDP Hold Movers for FoLU Net Sink 2030 Workshop

Universitas Negeri Padang (UNP), in collaboration with the United Nations Development Programme (UNDP) Indonesia, organized the Movers for FoLU Net Sink 2030 workshop to strengthen youth engagement in climate action and support Indonesia's FoLU Net Sink 2030 target. Through training, discussions, and action plan development, the program encouraged students to become leaders in forest conservation, greenhouse gas emission reduction, and sustainable development.

Maniezzz Team Successfully Holds Smart Cinnamon Workshop in Nagari Malalak Barat

The Maniezzz Team from Universitas Negeri Padang (UNP), under the Innovillage 2024 Program, organized the Smart Cinnamon Workshop in Nagari Malalak Barat, Agam Regency, to empower the Women Farmers Group (KWT) and PKK members. Through cinnamon processing training, mentoring, and seedling distribution, the program aimed to increase the value of cinnamon products, promote a circular economy, and create new business opportunities to improve local community income.
