PARTNERSHIPS FOR THE GOALS

From the Visit of the UNP Chancellor and Senior Executive to Jakarta: Six Agendas Were Carried

The Rector of Universitas Negeri Padang (UNP) and the Senior Executive conducted a working visit to Jakarta to strengthen partnerships with government institutions, universities, and strategic stakeholders. The six agendas focused on advancing higher education, research, innovation, campus development, and institutional collaboration to enhance UNP's contribution to national development.

The AKPI DPP Establishes Ties with the UNP Faculty of Medicine

The Central Executive Board of AKPI established ties with the Faculty of Medicine at Universitas Negeri Padang (UNP) to strengthen institutional relationships and foster collaboration in education, human resource development, and community service. The meeting is expected to enhance cooperation in supporting better healthcare services and educational quality.

The Halal Center Unit of Universitas Negeri Padang and the West Sumatra KDEKS Synchronize the 2025 Work Program

The Halal Center of Universitas Negeri Padang (UNP) and the West Sumatra Regional Committee for Islamic Economy and Finance (KDEKS) aligned their 2025 work program to strengthen the regional halal ecosystem. The collaboration focuses on halal certification, Islamic economic literacy, and cross-sector partnerships to support the growth of the halal industry and improve the quality of halal products and services in West Sumatra.

UNP DWP Holds 2025 Program Working Meeting

The Dharma Wanita Persatuan (DWP) of Universitas Negeri Padang (UNP) held its 2025 Working Meeting to align and integrate work programs across all DWP units within the university. The meeting aimed to strengthen coordination, collaboration, and human resource development through well-planned initiatives that support the university community and contribute to UNP's institutional growth.

The Padang Panjang City Social Services Agency (Dinsos P2KBP3PA) Signed a Cooperation Agreement with UNP LPPM

The Padang Panjang City Social Services Agency (Dinsos P2KBP3PA) signed a cooperation agreement with the Institute for Research and Community Service (LPPM) of Universitas Negeri Padang (UNP) to strengthen collaboration in research, policy development, and community service, particularly in the protection of women and children. The partnership aims to support evidence-based social policies and improve public services through stronger cooperation between local government and academia.

Discussing Academic Collaboration and Cooperation Opportunities: Sultan Zainal Abidin University Malaysia Visits Padang State University

Universitas Negeri Padang (UNP) welcomed a delegation from Universiti Sultan Zainal Abidin (UniSZA), Malaysia, to discuss opportunities for strengthening academic cooperation between the two institutions. The meeting focused on research collaboration, student and staff exchanges, joint publications, and scholarship opportunities, serving as a strategic effort to expand international academic networks and enhance educational quality for both universities.

PT. UNP Mes and PT. Vortex MES 4.0 Batam Introduce Industry–University Partnership Concept in Istanbul, Türkiye

PT UNP MES and PT Vortex MES 4.0 Batam introduced the industry–university partnership concept at an international forum in Istanbul, Türkiye. The initiative emphasized collaboration in innovation, applied research, and human resource development to bridge the gap between higher education and industry while strengthening global competitiveness.
