A Million Smiles and Inspiration: UPKK UNP Shares Happiness at Belaian Kasih Social Care Home

The Career and Entrepreneurship Development Unit (UPKK) of Universitas Negeri Padang (UNP) organized a social outreach program at the Belaian Kasih Social Care Home by providing donations and engaging with children with disabilities. The initiative reflects UNP's commitment to promoting social welfare, supporting vulnerable communities, and fostering empathy, solidarity, and community service among students.

UNP Postgraduate Alumni Association Provides Prosthetic Limbs for Persons with Disabilities

The Universitas Negeri Padang (UNP) Postgraduate Alumni Association provided prosthetic arms and legs to 28 persons with disabilities through a humanitarian program aimed at improving their independence and quality of life. The initiative also included prosthetic fitting assistance and collaboration with several charitable foundations, demonstrating UNP's commitment to social inclusion and community support.

Anggia, UNP 2025 Freshman: Disability Is No Barrier to Achieving Dreams

Anggia Dwipa Mandiri, a new student with a hearing disability at Universitas Negeri Padang (UNP), proves that disability is not a barrier to pursuing higher education. Supported by UNP's inclusive services, including sign language interpreters and an accessible learning environment, she began her academic journey with confidence, inspiring others that everyone deserves equal opportunities to achieve their dreams.
